Community Investment Grant Funding Application Instructions 2022-2023 Grant Year

For over 60 years, Harvey County United Way has had one mission: mobilizing communities to create lasting changes in community conditions that improve lives. The most visible example of our work is the annual community investment grant round.

Community Investment grants are financial investments in area non-profit and community organizations working the focus areas of education, health and income. Each application must demonstrate a community need and the actions taken to meet that need.

We fund PROGRAMS not agencies. For some organizations, with only one major service offered, there is no distinction between the two. However, for organizations with multiple programs and areas of work, this is an important clarification to consider before completing the grant application.

We fund ONGOING services and understand this is not always the case in the world of grant funding. Our focus is on the core foundation of program services: meeting a community need, making lasting impact through measurable outcomes, sustainability, adaptability to environmental changes (external and internal), board development, leveraging HCUW funds, etc. Harvey County United Way is committed to helping as many Harvey County communities and residents as possible.

We are PARTNERS with you. This means the relationship does not end when the award letter is sent. We are here for you in the form of technical support, consultation and marketing your program. We need to know if leadership staff changes (executive director), program adjustments are needed, or if your organization is struggling. Conversely, we depend upon you to help promote the annual campaign. Think of it this way, every dollar you receive is a donation from a local individual or business. Help us prove those dollars were invested wisely in your organization, making the maximum impact in the community.

Eligibility:

- Demonstrate a tax-exempt status under Section 501(c)(3) of the Internal Revenue Service Code; or
- Be an instrumentality of state or local government.

Focus Area:

- The primary outcome that the program delivers must be Education, Income and/or Health.
- At this time, applicants are free to self-identify the community need addressed with grant funds.

Submission Process:

- All required questions and materials can be accessed and uploaded through the online application process.
- Hard copy applications and attachments are not necessary.
- Handwritten applications will not be considered.

Deadline:

- Monday, January 31, 2022, at 11:59 pm
- A confirmation e-mail will be sent acknowledging receipt. If you do not receive one by the deadline, contact HCUW (316-283-7101).

Funding Announcement:

- Grant awards are contingent upon the availability of funds, as deemed by the Board following conclusion of the annual campaign (typically early February).
- Following board consideration, organizations are notified by letter to the address on the application, typically the first week of March.
- All required acceptance documents must be received by HCUW before funding will commence.
